## TMS Debuts Brand-New Dalcroze Classes

Get ready to watch your child's musicality and imagination take flight! This February, the Center for Music will be launching **two new Dalcroze classes for students ages 4 - 9**, hosted by Lauren Hodgson!

**What is Dalcroze?** Dalcroze is an experience-based method for learning music through the body. Along the way, students develop important foundations for both music and life: motor skills, musical vocabulary, early music literacy, and the ability to work independently and collaboratively.

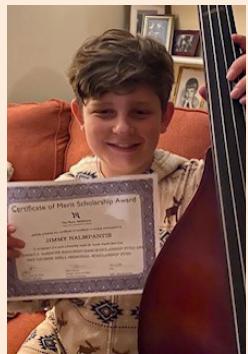

Registration is open for **Dalcroze Eurhythmics A** (ages 4 - 7) and **Introduction to Immersive Musicianship** (ages 6 - 9). Scan / Click the QR code to register. Space is limited!

Interested in a free class preview? Join us on Saturday, January 10<sup>th</sup> at TMS Ohio City at 10:00 am for our STEAM Saturday event where Lauren will present demos focused on our monthly theme - Robots!

## ‘26 - ‘27 Merit Scholarship Applications

You could earn a merit scholarship for up to 50% off tuition for the 2026 - 2027 school year!

Audition applications are now being accepted for traditional private music lessons, the Suzuki Program, and our J@MS Program (Jazz at The Music Settlement).

**Applications are due February 7th.**

Scan / Click to download your application.
