**Come out and jam with us!**

The Music Settlement's **Old-Time Jam** is an informal jam session where folk tunes are learned and shared by ear. Hosted by fiddler Paul Kirk, the music is the kind heard at square dances or contra dances. Sessions are open to fiddle/violin, viola, cello, double bass, banjo, guitar, and mandolin. At minimum, musicians should have some experience and familiarity with their instrument.

Jam sessions take place on the third Wednesday of each month\* at TMS Ohio City. Registration is required as space is limited. The sessions are free of charge, but donations are welcome. All donations support the mission of TMS and the talented team who coordinate these events.
