

The Music Settlement

OHIO CITY · UNIVERSITY CIRCLE

Dear Parent,

According to our childcare license from the State of Ohio, it is necessary to have written permission on file before we are allowed to use any kind of topical lotions, chap stick, toileting wipes or hand sanitizer on a child.

Please check the box next to the appropriate statement and sign below.

RELEASE AGREEMENT / Hand Sanitizer

Hand washing is always our preferred method for clean hands. The Music Settlement has hand sanitizer available to reduce germs, when washing is not available in the classroom. While the children will not be using these independently, according to new licensing regulations, teachers may assist your child in using the hand sanitizer.

- I agree to allow The Music Settlement to use hand sanitizer on my child if needed.
 I do not agree to allow The Music Settlement to use hand sanitizer on my child if needed.

RELEASE AGREEMENT / Huggies Natural Care

We also have on the premises Huggies Natural Care Baby Wipes (Alcohol and fragrance free) which we use on the children when necessary. We have found that they are helpful in cleaning a child after a toileting accident as well as wiping hands, etc. on the playground.

- I agree to allow The Music Settlement to use Huggies Natural Care Baby Wipes on my child if needed.
 I do not agree to allow The Music Settlement to use Huggies Natural Care Baby Wipes on my child if needed. I can choose to provide my own wipes and have indicated that below.

RELEASE AGREEMENT / Other

The Music Settlement does not provide lotions, sun screen, lip balm or alternative soaps, wipes or hand sanitizer than what is listed above. If you wish to provide your child with any of these items to use at school please complete the section below. Please note, all items must be in the original packaging and have your child's name on it.

I agree to allow The Music Settlement to use the following products on my child if needed:

- Sun Screen: (product name)
 Lotion: (product name)
 Hand Lotion: (product name)
 Lip balm: (product name)
 Other non-prescription topical product: (product name)

Child's Name: Parent or Guardian:
Signature: Date:
