**To register for a recital, please contact your TMS private lesson instructor.
Recitals are capped on a first-come, first-served basis.**

In addition to the recitals above, Departmental Recitals are also presented throughout the year. Please speak with your private instructor about Departmental Recitals and other performance opportunities.

TMS Merit Scholarship students are required to perform on at least two TMS recitals or events as a condition of their merit award. We strongly recommend students choose one recital in the fall and one in the spring to ensure availability.
