To register for a recital, contact your TMS private lesson instructor.

Recitals are capped on a first-come, first-served basis.

Spring recitals are very popular and fill up quickly.

If you are ready, please consider registering for a fall or winter recital.

In addition to the recitals above, Departmental Recitals are also presented throughout the year. Please speak with your private instructor about Departmental Recitals and other performance opportunities.

TMS Merit Scholarship students are required to perform on at least two TMS recitals or events as a condition of their merit award. **Fall and winter recitals are strongly encouraged.**

In addition to performances at The Music Settlement and TMS community events, merit scholarship students may also complete their requirement through other performances (e.g., school concerts, church event, regional competitions). Contact Nikki at NClaverie@TheMusicSettlement.org for more information.

Questions? Contact your TMS private instructor for details.
