Please arrive on campus at least 10 minutes early.

Put on your cloth facemask before proceeding inside.

Enter the campus through the covered driveway entrance on Detroit Avenue, then proceed into the building through the parking lot rear doors to the left of the playground.

Stop at the health screening station. Your teacher will meet you.

Sanitize your hands with the provided sanitizer.

Take your temperature with the provided no-touch thermometer in front of your teacher or another TMS staff member.

Complete the health screening log.

Sanitize your hands again.

Proceed to your lesson -- enjoy!
