The Music Settlement
OHIO CITY · UNIVERSITY CIRCLE

2019-2020 Course Catalog
Inspired by music’s remarkable ability to bring people together, The Music Settlement (TMS) is a community music school in Cleveland, Ohio.

TMS was founded in 1912 by Almeda Adams as part of the Settlement Movement. She set out to connect immigrants new to our city with people from all walks of life to celebrate and share experiences through the universal language of music.

Every day, our talented and dedicated faculty continues to build on this honorable foundation through our Center for Music, Center for Early Childhood, Center for Music Therapy, and BOP STOP performance venue.

Delighted to be a part of Cleveland’s robust arts and culture community, we take great pride in inspiring the promise and potential within each of the individuals we serve.

Our programs are generously funded by:

Early Childhood experiences enable children to grow to their maximum potential socially, emotionally, intellectually, and physically. As skills and interest develops, self-confidence grows. Children learn to work and play cooperatively with others. They learn to better understand, express, and gain control of their feelings. They develop body awareness through both small and large muscle activities. Symbolic play and art help children to move from the world of make-believe to the world of words in reading and writing.

Our early childhood programs have earned the highest rating of five stars in the state of Ohio’s Step Up to Quality initiative for exceeding quality benchmarks over and above Ohio’s licensing standards for early childhood centers. We are a five-star Step Up To Quality rated program and hold local accreditations of the highest quality for Cuyahoga County’s Universal Pre-Kindergarten and City of Cleveland’s Pre4CLE programs.

TMS half-day Preschool, year-round Day School, and full-day Kindergarten offerings provide exceptional music, movement, and art experiences for the children between age 3 and 6 years. Its experienced faculty exceeds educational standards and have an average tenure of 8 years.

Financial aid for TMS Preschool, Day School, and Kindergarten programs are available for families who qualify through a number of sources, including Cuyahoga County’s Universal Pre-K initiative.
All registrants interested in enrolling their child in the Center for Early Childhood offerings other than Arts for the Young will work with the Early Childhood Admissions office. Enrollment is not available online. Browse offerings and call (216) 421-5806 ext. 160 to begin the enrollment process.

IT’S HAPPENING HERE.

With every note, confidence grows. Visualization and literacy skills develop. Memories expand and interpersonal and collaborative skills flourish. Individuals gain the ability to process language in meaningful ways and solve problems creatively. Far beyond sheet music and sounds, the learning they gain here will be with them always. With every song and stanza, we’re instilling and building the strengths bright futures are made of—and those experiences are as rich and wonderful as they sound. Join us and let music fill your world with possibility.
